FOR A STATUE IN THE CITY OF NEW YORK

TO BE UNVEILED DECEMBER SIXTH, 1915

No. 154 NASSAU STREET, NEW YORK

November 30, 1915.

Mr. Howland Wood,
American Numismatic Society,
156th Street & Broadway, City.

Dear Sir:

Dr. Kunz tells me that you have kindly consented to aid him in arranging the souvenirs consisting of the fragments of the dungeon stone and medallettes which are to be distributed at the dedication of the Joan of Arc statue at Riverside Drive and 93rd Street on Monday, December 6th, at 2.30 p. m. I write this line just to confirm the understanding and to let you know that the Committee is relying upon your courteous cooperation in this matter. I may add for your information that I am having little labels printed to be pasted upon the fragments of stone and also clasp envelopes printed to contain them. Dr. Kunz, I think, will supply the mucilage which he thinks has particularly strong adhesive properties and probably someone to paste the labels on the stone, but this work ought to have careful oversight so as to see that it is properly done.

Thanking you most heartily in behalf of the President, I remain,

Yours very truly,

Secretary.

I can come down Thursday morning any time, Friday or possibly any time Saturday. My 'Phone is Audubon 2484.

Dear Mr. Wood:

I have a few old American silver coins I want to sell, and wonder if you can give me any idea of what they are worth and where to sell them. I would be much obliged to you if you could give me the information. The coins are these:

<u>Dollar.</u>	<u>Half Dollar</u>	<u>Quarter</u>	<u>Dime</u>	<u>Half Dime</u>	<u>Three Cents</u>
1798	1806	1805	1805	1830	
	1831	1818	1807*	1830*	1860
	1832	1834	1811*	1832	1865
	1836		1827	1837	1868
	1840		1837	1838	
	1894			1869	
	1901			1872	

All are fine sharp specimens except those marked with an asterisk which are perforated to be worn as a charm.

I would greatly appreciate your courtesy in giving me the information.

Yours sincerely

Dear Mr. Hall:

Replying to your letter of May 9th, as so many questions enter into the value of a great many of our coins, it is impossible to give you prices without seeing the pieces. I would suggest your taking them to one or two coin dealers, and would recommend Thomas L. Elder, 9 East 35th Street, and Gutttag Bros, 16 Exchange Place. I see nothing in your list which is really rare; a few of the earlier specimens would command a slight premium.

Very truly yours,

Curator
